MEMORANDUM FOR THE RECORD

Morning Meeting of 14 December 1967

DD/I noted that this week's Task Force [] report was negative.

25X

DD/I reported that the OXCART assessment was negative, primarily because of the thick jungle canopy. The Director requested the DD/I to ensure that the PFIAB Chairman receives a copy of the assessment.

Godfrey reported it appears that a successful strike was run on the Paul Doumer Bridge.

Godfrey drew attention to the AP dispatch reporting that the Soviet Communist Party central committee might oust Peter Demichev on 20 December.

Kent reported that the Cambodia Estimate is ready.

25X1

25X1

[] for Warner reported that Senator Montoya has requested a background briefing for his forthcoming trip to Latin America with Senator Tydings. [] also reported that Senator Milton Young has requested a general briefing.

DD/S&T reported that, weather permitting, an OXCART flight will go tonight.

25X

[]
DD/P commented that the discussion with Ambassador Tuthill had gone very well.

SECRET EYES ONLY

25X

The Director noted that PFIAB will probably make a recommendation to the President concerning OXCART.

The Director noted that tomorrow's 303 Committee meeting will deal with the Radios.

ACTION:

1. The Director asked Houston to review carefully the nepotism section of the pay bill with particular reference to determining guidelines for employment of husbands and wives as well as summer employment of dependents.
